

Family Data Form

It's easy and secure! The Northbrook Park District has launched a software program to improve the registration process. Residents need to update their household information once, before registering for classes and programs. If you have not already filled out a Family Data Form, bring this completed form, along with a photo ID and utility bill, to any of the Registration Offices listed below. We think you will appreciate the options and convenience of the new system, which provides faster registration, improved efficiency and round-the-clock online registration.

Leisure Center
847-291-2995
3323 Walters Avenue

Northbrook Sports Center
847-291-2993
1730 Pfingsten Road
