Agenda Item: IV. A. Consider Professional Service Contract with Wight & Company
Date: May 11, 2018

Staff recommended the approval of the professional services contract for architectural services with Wight & Company Inc. last month in Committee. At the time of the Committee meeting, we did not have the finalized contract available for review. The April Board Meeting Agenda was revised accordingly.

With the finalized contract available, we are now prepared to move the contract forward to the full Board for approval.

MEMORANDUM

To: Parks and Properties Committee
From: Ed Dalton, Director of Parks and Properties
Agenda Item: V. A. Consider Prevailing Wage Ordinance 18-O-4
Date: May 11, 2018

Staff Recommendation:
Staff recommends the Committee review and move forward the Prevailing Wage Ordinance 18-O-4 to be approved by the full Board.

Background & Analysis:
The attached ordinance is a required document to be approved annually by the Board.

Explanation:
Legal Requirement: Each year the Board of Commissioners has the opportunity to adopt a Prevailing Wage Ordinance no later than July 15th and file a certified copy of that Ordinance with the Illinois Department of Labor. Within 30 days of filing, the District must also publish a notice of the investigation and determination in a local newspaper. We plan to publish in the Northbrook Star on June 1st. The wage determination must be sent to those persons or associations of employees who request copies. Lastly, legislation requires the District to obtain and maintain certified payrolls from the contractors on the District’s public works projects under the local records retention act.

Motion:
The Parks and Properties Committee Chair moves to approve Ordinance 18-O-4, an Ordinance adopting prevailing wages to be paid to Laborers, Mechanics and Other Workers Performing Construction of Public Works for the Northbrook Park District to the Board for approval.

Pc: Molly Hamer, Executive Director

Agenda Item: V. B. Consider Leisure Center Parking Lot Renovation, Bid #2154  
Date: May 11, 2018

Staff Recommendation:
Staff recommends the approval of the Leisure Center Parking Lot Renovation base bid in the amount of $101,294 from M&J Asphalt Paving Company of Cicero, IL.

Background & Analysis:
The project will include a 2” grind, resurfacing, and striping at the Leisure Center’s main and west parking lots. The main lot was originally constructed in 1988 and the west lot was constructed in 2001. Both lots have exceeded their anticipated lifespan of 15 years. Over the past seven plus years, the Leisure Center Parking Lot has flooded after heavy rainfalls. In early 2018, the drainage lines in the Leisure Center Parking Lot were televised. It was discovered that many tree roots had penetrated the pipe that discharges towards River Falls Drive (pipe A to A1) causing the lots not to drain properly. It is the suggestion of the engineer and Park District staff to line these pipes with CIPP pipe liner to prevent future penetration. The CIPP lining holds a 50-year warranty.

Staff suggests that we approve the parking lot base bid of $101,294. In addition, staff also suggests we approve Alternate #1, the Village Lift Station Property, for which an IGA is in place where the Village will reimburse the District for this work ($9,200). Staff also suggests we approve Alternate #2, for the installation of the Leisure Center A to A1 CIPP Pipe Lining for $13,927, and Alternate #4 for the rebuilding of a failed catch basin for $750.

Four contractors submitted a bid that is listed below:

Agenda Item: V.C. Consider Professional Service Contract with Corporate Construction Services  
Date: May 11, 2018

Staff Recommendation:
Staff recommends the approval of the professional services contract for construction management services with Corporate Construction Services, Downers Grove, Illinois for construction management services at a fee of 6.8% of the cost of the work, currently estimated at $10,435,000 with a not to exceed amount of $10,000 for Reimbursable Expenses.

Background & Analysis:
Within the “Moving Forward 2026” District-Wide Comprehensive Master Plan, Goal Number 2 stated the community asks that we maintain and update existing assets to provide quality parks and facilities, and trails that are attractive, safe, accessible, and compliant with codes and standards. From this Goal, the District completed a Golf Course Operations Assessment in 2017. Within this Assessment, it was determined to proceed with hiring a team of architects to create a Master Plan of improvements to the course and clubhouse so golf operations would remain relevant and up to date in the municipal golf market.

As this process continues, we will need to engage the professional services of a construction manager to help with that assessment and with monitoring the architect’s creativity and design work to remain within a defined budget parameter. Staff chose to engage the firm that the District has a long-standing working relationship with: Corporate Construction Services, Downers Grove, Illinois.

Explanation:
1. Budgeted Cost: $12,000,000
2. Budget Source: 2018-20 Capital Improvement Plan
3. Public / Customer Impact:
4. Legal Requirement: None

Motion:

Re: Informational Items/Verbal Updates: Manager Reports
Date: May 11, 2018

In the Work Plan I presented to you in March, I shared the idea of including Manager Reports on the Committee Agendas. With Board endorsement, I am now initiating this program.

As a reminder, the purpose of this action is to bring relevant and informative topics of interest to the Board. Reports will be generated and presented by staff members at the manager level, giving them both exposure to Committee meetings and the ability to engage with Board Commissioners. To maintain an appropriate meeting time, there will be a ten-minute presentation, followed by a five-minute period for any questions to be answered. An added benefit of these presentations will give Board members an opportunity to better acquaint themselves with the District managers and their respective duties.

George Baumgardt, Athletics and Aquatics Manager, and Kris Sharp, Park Operations & Project Specialist, will present the 2017 Aquatics Report.
