RECAP OF WEEK 2 OF 2ND SESSION

Hi Parents!

We had an adventurous second week of second session! On Monday, we “bugged out” and learned all about different types of bugs. On Tuesday, we painted clay pots and spent the afternoon at the pool! Wednesday was our field trip to Deer Grove Nature Preserve. We had a blast doing a nest building activity, a bug hunt, biogames, and a seed collecting activity! On Thursday, we learned all about bees and butterflies and created some bees out of popsicle sticks! To end our week, we played outside in the sprinkler on Friday and cooled off at Meadowhill Aquatic Center in the afternoon. Remember that Monday is Color Wars, so make sure to send your child in their team color!

As a reminder, please call or email me if your child will not be at camp! Have a great weekend!

Thank you!

WHAT TO BRING TO CAMP

Every Day

Water Bottle
Sunscreen
Gym Shoes
Lunch

Swim Days

Swimsuit
Towel

Field Trips
