Hello Winkelman Families!

This newsletter focuses on the activities the kids loved doing the most during the month and future ones to come. It also delivers important messages about Adventure Campus.

In September, everyone got to get know each other and we went over all the rules and expectations of Adventure Campus. We also played a variety of games and spent a lot of time outside enjoying the weather. The kids started decorating our boards with the art they have made here as well.

This month brings forth a lot more activities and gym games. Some fun activities the kids look forward to are bingo and paper airplane throwing competitions. They love playing against each other in friendly competition with the chance to win a prize.

A friendly reminder to anyone picking up the kids to drive carefully behind the school as we walk out there to get to the playground. Thanks, and I am very excited to see what September brings and how much fun we will be having with all our fall activities!

- Matt Papale, Site Director

IMPORTANT REMINDERS

Reporting Absences

Please notify both Adventure Campus and the school if your child will not attend the program. Call or email using the contact information above.

No School Dates

The Northbrook Park District offers field trips for most of the days that school is not in session. Registration for the field trips closes either when registration reaches capacity or 1 week prior to the event. To sign up for field trips, follow the directions below:

1. Go to nbparks.org
2. Click on the Registration tab
3. Click "Online"
4. Either type in the activity code (found on Campus Chatter and emailed by Mary Mucci) or click the "Activities" tab, then "School Days Off Programs"

UPCOMING EVENTS

- September 26: No School, School's Out Camp Care
