October Newsletter

HAPPY HALLOWEEN

Site Director: Antonio Sanchez ACShabonee@nbparks.org 847-508-1077

DEAR SHABONEE FAMILIES,

I hope everyone is having a great school year! **With only a couple of days left till our Halloween party, please let us know if your student will not be attending Adventure Campus on the 28th.**

The month of October we did a lot of fun things! A lot of our students took part of having their face/hands painted. This was such a huge hit, that most of the students went home with multiple designs! We also continued our art wall, where a lot of the students print or draw anything they like and hang it on a bulletin board. Most of the students made spooky bottles, containing various types of Halloween themed objects. Dodgeball, hockey, and basketball have all been organized sports games that have also been very popular.

If you or your child have any questions, please do not hesitate to reach out either through email or the site cell phone. We are all looking forward to another great month!

PLEASE also send your student(s) with the adequate clothing attire. We will continue to go outside and take advantage of the weather before winter. Also remind your students about the NO PHONE at Adventure Campus rule.

Goal for October

Please remind your student about the importance of cleaning up after themselves. We will be keeping an extra eye for those students who clean up without being told and those who take the initiative and clean up after others.

Thank you!

Antonio Sanchez, Shabonee Site Director
