847-521-0538

Hello Parents-

I hope this newsletter finds you doing well and that your Thanksgiving Holiday was terrific!

As we continue to transition to the winter season, please make certain that your children have the appropriate outer wear as we will continue to go outside as the weather permits!

Our Halloween celebrations were a blast to end last month. This month we've been participating in Thanksgiving and Harvest activities.

We look forward to kicking off December with some Winter Wonderland activities!

As always, if you have any questions and/or if you know of a planned upcoming absence, please let us know!!

Please enjoy the pictures of your children enjoying the various activities we incorporate into their time with us!!

Best Regards

The Winkelman Adventure Campus Team (Jim, Erin, Dawn, Niko, Georgia, Maya, Gaby, Ryan, Kamila, Victorya)
