## ADDENDUM #1

Northbrook Park District

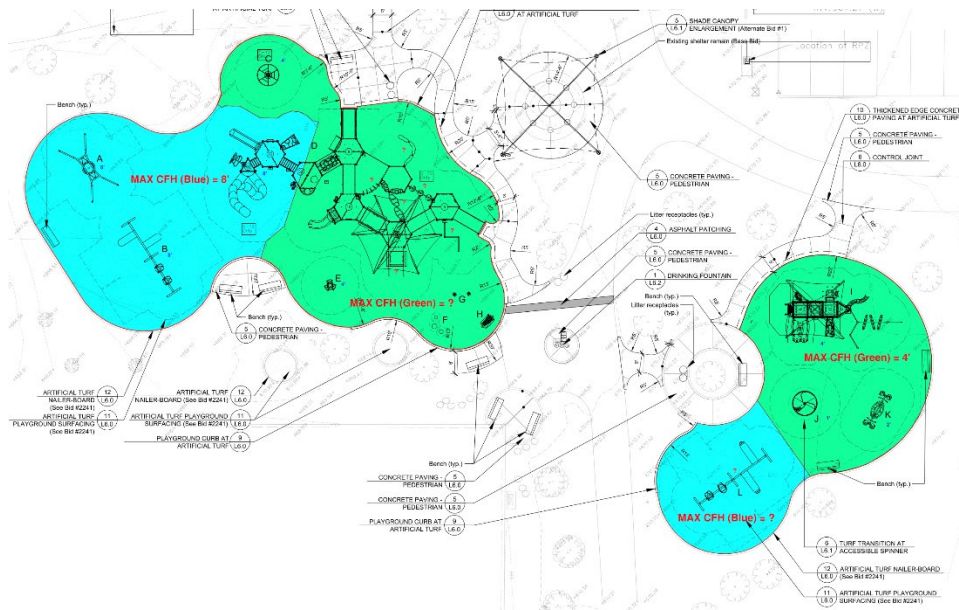

Stonegate Park Playground Synthetic Turf

Bid #2241

This addendum becomes part of and modifies, amends, and clarifies Project Manual for the above mentioned Bid. All provisions and requirements of the Project Manual shall remain in effect except as specifically changed in this addendum. Below is the list of revised items in Addendum #1.

### Clarifications:

1. QUESTION: Can you confirm the max CFH of the areas labeled and provide the max CFH of the areas where there's a question mark shown? This will dictate the thickness of the padding for those areas. I know the decks are labeled, but just wanted to confirm the unlabeled areas don't exceed the decks.

**ANSWER:** It is the responsibility of the turf contractor confirm the CFH for the equipment and plan the limits of their padding to meet our specifications. Typically, they reach out and coordinate with the Playground Equipment Vendor for this information.

# NORTHBROOK PARK DISTRICT

2. QUESTION: Please confirm the PIP rubber curb at spinner as shown in L6.1 Detail 6 will be included within the scope of the general contractor installing the equipment and not within the scope of the turf supplier/installer?

***ANSWER: The PIP (Poured-in-Place) rubber curb at the spinner should be included within the scope of the turf supplier/installer.***

**Receipt of this addendum shall be acknowledged by signing below and including a copy within the Bid Documents.**
