Happy New Year Adventure Campus Families!

Welcome to our newly formatted newsletter! Moving forward we will be providing the same newsletter to all Adventure Campus parents that will provide more informative and meaningful information.

In 2022 we experienced so much laughter, development, and joy at Adventure Campus. Staff were able to witness new friendships and interests' form. At the end of 2022 our Site Directors and I set new goals to help provide the best before and after school experiences for your children. In 2023 we will be adding monthly entertainers and enrichment to all Adventure Campus sites. Entertainers will range from magicians, kids yoga instructors, balloon artist, and more! Enrichment activities will include activities such as S.T.E.A.M, canvas painting, clay creations, etc.
