

Dear Wescott Park neighbor,

In 2023, the Northbrook Park District plans to make improvements to Wescott Park tot playground (ages 2–5) which was installed in 2005 and is reaching the end of its life cycle. The District is asking for your input for updates to the playground located at 1820 Western Avenue.

Currently, this 4.1 acre park offers softball fields, playground and walking path. Future plans include the installation of new tot playground equipment in the existing curbed space.

This survey can be submitted online or via mail and provides an opportunity for the park’s neighbors to share how you use the park and what improvements you would like to see. We appreciate your feedback.

If you have any questions, please reach out to me. Thank you in advance for sharing your thoughts!

Joan Scovic
