Happy February, Sunshine Preschool Families!

Brrr, it has sure been getting cold out here! We've hopefully made it through the coldest time this year and are looking forward to the coziness and love that this month will bring!

What have our classrooms been up to?

The 3's classroom learned about hibernation and delved into the world of storytelling this month. And wow! Some amazing art came out of the classroom. They finished their month with an amazing pajama party-complete with pancakes and a short film!

The 4's classroom has been continuing along with their letter of the week activities- including a very scrambled mismatched dress day! A local veterinarian made a special visit to the classroom and the students learned more about pet care and safety. They concluded their month with a week on cultural awareness learning and included sunshine preschool families in their lessons.

As we get ready for some fun in February, here are a couple notes of changes/updates to our school calendar...

- Our **Give from the Heart Food Drive** has been postponed for the time being. We will follow up later this month with some giveback opportunities.
- Our **Sunshine Preschool Family Night** will happen this month! The date of this has changed from our original calendar- we will send out an invite later this week.
- Sunshine Preschool **WILL** have school on Thursday, February 14th.

This month will be filled with love and appreciation for our friends and family! We hope you have a wonderful start to your February!

Thank you to our Executive Director, Chris Leiner, for reading to our classrooms last month!

Important Dates

Friday, February 7th
