Dear Sunshine Preschool Parents,

October has been full of the changing seasons, spooky activities, and precious friendships from our Sunshine Preschool! Both classrooms focused on fire safety this month and completed a successful fire drill at the Leisure Center. We are so proud and impressed with these brave students! The 3's classroom had a special visit from Firefighter Ted of the Northbrook Fire Department and the 4's classroom went on a field trip to the Fire Department. The month ended with both classrooms trick or treating throughout the building and celebrating with Halloween parties!

Sunshine Preschool will be participating in outreach opportunities throughout the next couple months- one of which begins in November! Be on the lookout for more information on these events. We look forward to learning more about how we can help our community.

Sunshine Preschool will begin an exciting partnership with the Leisure Center Senior Center by introducing, *Reading Buddies*, later this month. Seniors here at the Leisure Center will be given the opportunity to sign up to read to the preschool classrooms, on selected days, during the month. Books are picked and/or approved by Sunshine Preschool Teachers.

Happy November! We're looking forward to a month full of thankfulness and fun!
