

Sunshine Preschool

3323 Walters Avenue, Northbrook | 847-291-2995 | nbparks.org

Dear Sunshine Preschool Parents,

What an amazing first month we've had at Sunshine Preschool! Students have settled into routines, made new friends, and discovered the fun we have here!

In the 3's classroom, students have focused on identifying letters through books like *Chicka Chicka Boom Boom* and enjoyed pirate-themed activities, including painting a "life-size" pirate ship for dramatic play. They wrapped up the month learning about kindness and how to fill our buckets!

The 4's classroom has been all about superheroes! Students built superhero cities and practiced math skills with stamps and zigzags! Students have also been learning "All about Me" through various classroom activities and in creating their own All about me books!

Thank you for your patience as we implemented our new car line during the last two weeks of September. We appreciate your cooperation in helping us reduce congestion in the preschool hallway! We encourage you to use the car line but also invite you to continue to visit the preschool hallway to see the incredible art and projects your children are creating. Displaying their work helps show that their efforts matter, and we hope you enjoy those proud moments when they share their creativity with you!

Happy October! We are looking forward to all the wonderful experiences in store for us this month!

Important Dates

Thursday, October 3rd
